Regulatory Innovation • 31C

C-Path CEO Klaus Romero will be a panelist in two sessions at the upcoming BIO 2024 Conference. In two featured sessions, discover how C-Path drives innovation and removes bottlenecks in the drug development process. Connect with us throughout the event to discuss your unique challenges, prospective partnerships, and how we can guide you forward on the path to success. In addition to our sessions, we'll have C-Path staff onsite. Partner with us on the BIO One-on-One Partnering Platform
