

Improving Data Collection for Rare Epilepsies: Case example from the TSC Natural History

The graphic features a dark blue background with a faint pattern of people and circuit lines. In the top left, the Critical Path Institute logo is shown next to the text 'RARE AND ORPHAN DISEASE PROGRAMS' and 'CRITICAL PATH INSTITUTE'. To the right is the 'RDCA-DAP' logo with the tagline 'Rare Disease Cures Accelerator Data and Analytics Platform'. The text 'WEBINAR SERIES' is prominently displayed in the upper center. On the right, an orange rounded rectangle contains the text 'Previously Recorded' and 'VIEW NOW' with a cursor icon. A portrait of Elizabeth Cassidy is on the left side of the lower half. To her right, the title 'Improving Data Collection for Rare Epilepsies:' is in yellow, followed by the subtitle 'Case Example from the TSC Natural History Database' in white. A blue banner at the bottom contains her name and title in white and yellow text.
