

Vivli and RDCA-DAP Present: Data Platform Partnerships to Promote Rare Disease Data Sharing

The graphic features a light gray background with a subtle diamond pattern. At the top center is the Critical Path Institute logo, which includes a stylized 'C' icon and the text 'CRITICAL PATH INSTITUTE'. To its right is a large '20' with 'YEARS OF IMPACT' written inside the zero. Below this, the title 'RARE & ORPHAN DISEASE PROGRAM 2025 WEBINAR SERIES' is displayed in bold orange text. On the left side, the text 'Vivli and RDCA-DAP: Data Platform Partnerships to Promote Rare Disease Data Sharing' is written in blue. In the center, there is a portrait of Julie Wood, COO of Vivli, wearing a blue blazer. To the right of the portrait is a yellow button with the text 'Thurs | Feb. 20 Noon ET' and 'REGISTER NOW' in blue, accompanied by a cursor icon. The graphic is decorated with several blue and yellow squares of varying sizes.

Don't miss this opportunity to learn from the experts in data sharing!

Join Julie Wood, Chief Operating Officer at Vivli, for an engaging webinar, Thursday, February 20, where she'll discuss Vivli's global data-sharing and analytics platform and how their collaboration with C-Path's Rare Disease Cures Accelerator – Data and Analytics Platform (RDCA-DAP) is advancing data sharing in rare diseases.

Following Julie's presentation, panelists from Vivli and C-Path will dive into a broad discussion on platform-to-platform collaborations, strategies for facilitating data sharing, and more. Bring your questions for a live Q&A session.
