CRITICAL PATH INSTITUTE

The Honorable Jim Greenwood discusses the art and science of multi-stakeholder collaborations

The Honorable Jim Greenwood, President and CEO of Biotechnology Industry Organization (BIO) and C-Path Board member, participated in a panel discussion about the art and science of multi-stakeholder collaborations at the 2013 Partnering for Cures meeting hosted by Faster Cures, a center of the Milken Institute. Hear Jim's perspectives and learn more about C-Path's consortia, all examples of public private partnerships working to help accelerate the medical product development process.
