

Vivli and RDCA-DAP Present: Data Platform Partnerships to Promote Rare Disease Data Sharing

A graphic for a webinar series. At the top center is the Critical Path Institute logo followed by a large '20' with 'YEARS OF IMPACT' written inside the zero. Below this, the text 'RARE & ORPHAN DISEASE PROGRAM' and '2025 WEBINAR SERIES' is displayed in large, bold, orange letters. On the left side, the text 'Vivli and RDCA-DAP: Data Platform Partnerships to Promote Rare Disease Data Sharing' is written in blue. In the center is a portrait of Julie Wood, COO of Vivli, wearing a blue blazer. To the right of the portrait is a yellow button with the text 'Thurs | Feb. 20 Noon ET' and 'REGISTER NOW' with a cursor icon. The background features a subtle geometric pattern of squares and diamonds in shades of blue and yellow.

Don't miss this opportunity to learn from the experts in data sharing!

Join Julie Wood, Chief Operating Officer at Vivli, for an engaging webinar, Thursday, February 20, where she'll discuss Vivli's global data-sharing and analytics platform and how their collaboration with C-Path's Rare Disease Cures Accelerator – Data and Analytics Platform (RDCA-DAP) is advancing data sharing in rare diseases.

Following Julie's presentation, panelists from Vivli and C-Path will dive into a broad discussion on platform-to-platform collaborations, strategies for facilitating data sharing, and more. Bring your questions for a live Q&A session.
