

2019 Annual International Neonatal Scientific Workshop

Dear Colleague,

You are cordially invited to participate in the 2019 Annual International Neonatal Consortium Workshop at the Hyatt Regency Bethesda on May 1st – 3rd, 2019. This workshop will build on the progress of INC Work Groups to improve the conduct of trials to evaluate the safety and effectiveness of therapies for neonates.

Meetings for the individual INC Work Groups will take place on May 1st and May 3rd, flanking the full Workshop on May 2nd. The networking dinner for all participants is scheduled for May 1st. The workshop is free and open to the public. All sessions will be available by TC/WebEx.

The registration link as well as information on the workshop venue will be distributed by January 2019. For additional logistical information, please contact INC Project Coordinator, Sarah Spieth, at Sspieth@c-path.org.
