

Kristen Swingle, MS

Kristen Swingle is responsible for the daily operations of the organization as well as developing and implementing C-Path's strategy and goals. She manages the organization's finances, human resources, facilities, information technology and personnel.

Before joining C-Path, Mrs. Swingle served as Vice President of Operations for CBR, a part of California Cryobank Life Sciences, where she oversaw stem cell manufacturing and quality operations and served as the site head for the Tucson facility which houses a stem cell laboratory, cryobank and call center operations. She brings nearly two decades' worth of experience in the medical and molecular sciences industry to bear in her role as Chief Operating Officer and currently serves as Chairwoman of AZBio Board of Directors.

Swingle holds a Bachelor of Science degree in Biology from Northern Arizona University and a Master of Science, Medical Sciences from Texas A&M University.
