The Coalition Against Major Diseases (CAMD) is a public-private-partnership aimed at creating new tools and methods that can be applied to increase the efficiency of the development process of new treatments for Alzheimer's disease (AD) and Parkinson's disease (PD).

The following Annual Meeting Agenda provides an overview of the meeting as well as links to the slide sets presented.

Registration & Breakfast	7:30-8:30 am
Introduction Diane Stephenson (CAMD Executive Director, C-Path) Richard Moscicki (Deputy Director, CDER, FDA) Mark Gordon (New, CAMD Industry Co-Director, Boehringer Ingelheim)	8:30-9:00 am
Session I: Disease Modeling-Quantitative Tools Vikram Sinha, Director Pharmacometrics, FDA: Model-based drug development in neurodegenerative diseases: regulatory perspectives	9:00-9:30 am
Session II: Outcome Measures Robert Stern, Professor of Neurology and Neurosurgery, Boston University: Unmet needs in Neurodegeneration: focus on endpoints	9:35-10:00 am
Break	10:00-10:10 am
Breakout Session III: Biomarkers (Moderators: Adam Schwarz, Lilly; Gerald Podskalny, FDA) AD and PD Biomarkers – integrating modeling to enable success Key topics for breakout: data standardization, harmonization and cutpoints, evidentiary standards, precompetitive data sharing	10:15 am-12:05 pm

<p>Breakout Session IV: Outcome Measures (Moderators: Johan Luthman, Merck; Ashley Slagle, FDA) AD pre-dementia outcome measures-what does success look like? Key topics for breakout: Evidentiary standards, consensus on strategies to enable path forward, clinical meaningfulness, de novo vs existing scales, learnings from PD endpoints.</p>	10:15 am- 12:05 pm
<p><u>Lunch and Awards</u> (Mid-Day Remarks: Martha Brumfield, CEO, C-Path) Awards Presentations, Diane Stephenson</p>	12:10-12:40 pm
<p><u>Session V: Biomarkers</u> Robert Temple, Deputy Center Director for Clinical Science, CDER, FDA <i>The Role of Enrichment Biomarkers in AD and PD</i></p>	12:45-1:10 pm
<p>Reconvene and Report on Breakouts (all)</p>	1:15-2:10 pm
<p>Closing Comments Mark Gordon</p>	2:15-2:30 pm
