

SARC Annual Meeting ASCO 2023

Leading into the annual meeting of the American Society of Clinical Oncology (ASCO), SARC will host the first of two 2023 SARC semiannual meetings. C-Path's Executive Director of the CURE Drug Repurposing Collaboratory, Marco Schito, and Senior Project Manager Chandler Birch will be onsite at the ASCO Annual Meeting. Join fellow oncology professionals in this unique and unparalleled opportunity to connect with one of the largest, most diverse audiences in global cancer care. Hosted at the Hyatt Centric Chicago Magnificent Mile, Grand Ballroom, in Chicago, Ill., the 2023 ASCO Annual Meeting is your all-access pass to join global cancer experts and discover the latest innovations in cancer research and education.
