

Connective Tissue Oncology Society (CTOS) Annual Meeting

Members of the CDRC team will join the CTOS at The Convention Centre Dublin in Ireland. The Connective Tissue Oncology Society was formed in 1995 and incorporated in 1997. CTOS is an international group comprised of physicians and scientists with a primary interest in the tumors of connective tissues. The goal of the society is to advance the care of patients with connective tissue tumors and to increase knowledge of all aspects of the biology of these tumors, including basic and clinical research.
