

eCOA Consortium Announces Publication of an Open Access Article

*Best Practices for the Electronic
Implementation and Migration of Patient-
Reported Outcome Measures*

c-path.org/programs/ecoa

C-Path's eCOA Consortium is pleased to announce the publication of an open access article in Value in Health titled "Best Practices for the Electronic Implementation and Migration of Patient-Reported Outcome Measures."

This article builds upon existing best practices for the electronic migration and implementation of patient-reported outcome measures to provide a comprehensive single point of reference that reflects advances in technology and knowledge gleaned from the growing evidence base, as well as the expanding experience of eCOA Consortium Members.
