

eCOA Holds Annual Meeting in Denmark

C-Path's eCOA Consortium convened in Copenhagen, Denmark for its EU face-to-face meeting on Thursday, November 16. The eCOA Consortium holds two in-person meetings annually — one in the US and one in the EU — to explore how to advance the science of eCOA data collection.

Attendees participated in lively discussions on the challenges and opportunities around eCOA and digital health technologies, strategized on the future state of the eCOA Consortium, and featured a guest presentation from Dr. Barbara Bierer from Harvard Medical School.

eCOA members, include: ActiGraph, assisTek – The eSource Company, Clario, Clinical ink, ICON plc, IQVIA, Kayentis, Koneksa, Mapi Research Trust, Medable, Inc, Medidata Solutions, Medrio, ObvioHealth, Parexel, Red Nucleus, RWS Group, Science 37, Signant Health, Suvoda, TransPerfect Life Sciences, uMotif, WCG, YPrime
