

Connect with C-Path at BIO 2024: Join us on the path forward in drug development

The banner features the Critical Path Institute logo on the left. The main header for the BIO International Convention is in a dark blue bar, showing the dates June 3-6, 2024, and the location San Diego Convention Center, California. Below this, two session cards are displayed. The first card, for Wednesday, June 05, 2024, at 11:00 AM - 12:00 PM, is titled 'Breaking the Rare Disease Deadlock through Multi-Stakeholder Collaboration' and lists five speakers: Niklas Blomberg, PhD (Executive Director, Innovative Health Initiative); Annette Bakker, PhD (President, Children's Tumor Foundation); Klaus Romero, MD (Chief Executive Officer, Chief Science Officer, Critical Path Institute); Nathalie Moll, MS (Director General, EFPIA - European Federation of Pharmaceutical Industries and Associations); and Deborah Requesens, PhD (Director, JumpStart Program, Orphan Disease Center, Perelman School of Medicine, University of Pennsylvania). The second card, for Thursday, June 06, 2024, at 10:15 AM - 11:15 AM, is titled 'Advancing the Global Regulatory Decision-Making with Public Private Partnerships' and lists three speakers: Susan Winckler, RPh, Esq (CEO, Reagan-Udall Foundation for the FDA); Klaus Romero, MD (Chief Executive Officer, Chief Science Officer, Critical Path Institute); and Adora Ndu, PharmD, JD (Chief Regulatory Affairs Officer, BridgeBio). A small graphic on the left of the second card says 'We're partnering at BIO 2024'.

C-Path CEO Klaus Romero will be a panelist in two sessions at the upcoming BIO 2024 Conference. In two featured sessions, discover how C-Path drives innovation and removes bottlenecks in the drug development process. Connect with us throughout the event to discuss your unique challenges, prospective partnerships, and how we can guide you forward on the path to success. In addition to our sessions, we'll have C-Path staff onsite. Partner with us on the BIO One-on-One Partnering Platform
