

Save the Date: CGIC Returns to D.C. this September

We are thrilled to invite you to the 2025 Critical Path Institute® (C-Path) Global Impact Conference (CGIC), scheduled for September 9-11, in downtown D.C. at the Washington Marriott at Metro Center. This can't-miss event will build upon the monumental success of CGIC 2024 and provide a unique opportunity to connect the dots across key initiatives within C-Path's valuable portfolio, dedicated to accelerating drug development for conditions in neurology, rare diseases, pediatrics, and more.

This year's event takes on special meaning, as C-Path celebrates 20 years of impact. Be sure to join us to discover how C-Path can assist you in addressing challenges in drug development. This comprehensive experience will feature highlights from each of our [Core Competencies](#), underscoring our mission to lead collaborations that expedite drug development and advance better treatments for people in need across the globe.

Engage with colleagues and advocates from diverse sectors, including industry, regulatory agencies, academia, patient organizations, and our vibrant community of those with living experiences. CGIC 2025 promises a dynamic agenda, bringing together a multitude of voices and perspectives to foster collaboration and open dialogue.

Stay tuned for forthcoming communications, including the full conference agenda, featured speakers, and more. Your participation is key to making this event a resounding success!

Date: September 9-11, 2025

Location: Washington Marriott at Metro Center, Washington, D.C.

Registration: Coming soon, with Early Bird pricing!

We look forward to seeing you there!
