

Contributions to CPP's Integrated Parkinson's Database **Acknowledgements**

We would like to express our sincere gratitude to the following individuals, organizations, and institutions for their invaluable contributions to this research. We are grateful to all of our collaborators and consortium members for their contributions to this work, with special thanks to Parkinson's UK for their generous funding of the UK cohort studies as a founding partner of Critical Path for Parkinson's (CPP). A comprehensive list of our collaborators can be found here: <https://c-path.org/programs/cpp/>

We extend our appreciation to the following individuals who have been champions for data sharing by contributing to CPP's Integrated Parkinson's Database:
